“ Carol Ewing was a lovely person who greatly loved God's creatures. Her love for dogs was so great. She gave all of her dogs a wonderful home through the years. She grieved them terribly when they died.

Carol loved children. She came to our house for many months and sat awake during the night helping take care of our infant twin grandsons in order to allow their mother to get a little bit of sleep. This was quite a sacrifice and an act of love on her part.

Carol also loved the Lord. She did not hesitate to tell others about God; she read her Bible faithfully; she knew much scripture; and she tried to live her life in a Godly way.

We will all miss Carol. Our family has many wonderful memories of her. The little twins called her "Auntie Carol" for many years. Her life counted!

“ Liz & family,

You have my sympathy at Carol's passing. It was my privilege to get to know her at Ossian Health since November. She always thanked me for my visits.

“ I have many fond memories of Carol. She helped me almost 15 years ago when I had newborn twins. She would come daily to help me feed and care for them and provide a rest for me as a new mom. We called her “Auntie Carol”. I will always be grateful for her help.

“ Greetings,

My name is Shane and I do no longer live in the area, but 15-20 years ago I worked with Carol Ewing at Franklin Electric, we were in quality control together. It was always a joy to work with her, she was always conscious of doing her job well.

Sorry to hear of her passing, and prayerful for those whom lost this loved one.
