“ I have known Dale since our days at Rockcreek which is well over 50 years ago . We rode the school bus together. He was a very ornery guy. He always made it easy to know what he thought about everything. I always thought of him as a good friend. After high school when I was in college and he was over at Vietnam, he wrote me a letter. I still have that letter. Our lives went in different directions but I always enjoyed seeing him when I ran into him or at our high school reunions. He liked my husband as well. We were all in the same high school class. I remember the last time I saw

him several months ago. He came up to me in a store here in town and we laughed together for several minutes. I will miss seeing him and laughing with him. I am sorry for the loss of him for his family and other friends.

“ Mary, Jonathon, & Jacob -

I'm so sorry for your loss. Dale was truly something else! Ornerly as heck and as I'm typing this I am just imagining hearing him laugh - he did have a great laugh, & boy could he cook! I know he wasn't doing too well for awhile now and I hope that ya'll will at least be able to find some comfort knowing that he's not in pain, or uncomfortable anymore.

Bless you all,
Brandy & Jim Gibson
