“ It is with much sadness that i learned of the passing of Bert. Bert was a wonderful, classy woman and was always a pleasure to be around! At one point in my life i knew Bert very well & had the pleasure of being around her on a regular basis. I was just thinking about her the other day and was wondering how she was.

In the last twelve years Bert attended the viewings for my father and brother and also my mothers 90th birthday celebration which I appreciated very much. Bert and i took time to set and visit at great length, getting caught up. She wanted to meet my son whom she had never met. A truly quality and caring person!

I have nothing but great memories of Dave, Bert and family!

“ Camille, and family,
Just a couple of weeks ago I sent a note to 'Bert' at her Bluffton address. I had lost touch with her present location, but wanted to share some thoughts with her. Decades ago I was a frequent customer(or loafer) at their shop in Bluffton. I always enjoyed visiting with Bert and David. David built me a few special things including a personalized fireplace set and a hand trailer that is now, likely, 35 years old and that I continue to use.
They were wonderful people.
Thoughts and prayers.

“ We always enjoyed visiting Aunt Bert because she was always vivacious and cheerful. I remember especially staying overnight at the unique, amazing house she and Dave built and being given the grand tour of her garden. I also remember her generosity, taking my mother places she needed to go after Mom could no longer drive and lending us her car for a whole day when our car broke down on a bitterly cold day in Bluffton. She will be greatly missed by many!

“ Cam, You know that Aunt Bert was so special to me. My visits with her will always be remembered with love. My memories of her when we were young are precious. Going to Grandma's house meant that I would get to spend time with her. I will miss our phone chats over the years after I moved away. I am going to miss her very much.

“ Dear Cam and all of Alberta's family, You probably don't know me, but I first met your mother when we were both little girls about 6 years old. Your Aunt LuEllen and my neighbor Margaret Poling were good friends. One summer day Margaret brought me to your grandparents house west of Kirkland School to play with your mother. I remember going upstairs and playing dolls. It was a fun time. The next time I remember her was at Kirkland Bible School. We were in the 9 year old class. I don't remember being in contact again until we were Seniors at Kirkland and being the first graduation. Class of 1950 of Adams Central. She was a good student and well liked by everyone. There were many years between times we saw each other, mostly at class reunions. I've always admired her accomplishments in gardening and her business savvy. When I received the news from a school friend of her illness. We were very sad of the news. I hope this gives you a sense of comfort knowing your mother was loved by many her entire life. My memories with your mother will be cherished until we meet again. My deepest condolences.

“ Dear Cam, I just read about your Mom's passing and wanted you to know that you have my sympathy. I am so very sorry and wish circumstances were different and I could be at her memorial service but please know that my thoughts are with you. I have great memories of visits to "duckville" and Bert's beautiful gardens, she was a joy to be around. I thought of both of your parents a few weeks ago when there were two mallards walking down my sidewalk- I bet they would have gotten a laugh out of the sight. Take care, even though we aren't in touch , I have not forgotten your friendship.

“ Always admired Bert's "country" home and all her flowers. She was a gem to work with at Bargain Hut. Always working hard, quiet, no hassle or drama, doing all she could for others. Kind, gentle, smiling, with love in her heart. A great lady and dear friend. Rest from your labors, Bert, you will be missed, but heaven gained another angel.
