“ Larry, our children and I have very fond memories of Marti. One of my favorites was her statement that we could eat her delicious deserts because her oven baked out all the calories, Larry and Emma(Snively) Dixon

“ I was a classmate of Marti's at LHSN in the late 50's. She was such a good friend and she also had such a great sense of humor. We used to just laugh so much at her view of life and of nursing. She was a true believer in Jesus as her Savior and I am sure she is in Heaven with no more pain or sadness. My sympathies to all the family. A special thanks to her dear sister who always made sure she could come to our reunions in Ft. Wayne. Eunice Amt Hoeft

“ Marti and I became very good friends while studying together at Lutheran Hospital School of Nursing. Following our graduation I lived with her and her parents for a number of months. What wonderful times we spent together! Though I haven't been able to see her very often through the years I have corresponded with her and think of her so often, such a sweet Christian lady.

May the Lord comfort and strengthen each one of her family.
