“ When I worked at Graber Insurance in Berne and Christmastime would roll around, Ralph would bring in Ginny's absolutely delicious divinity! That was one of the best memories of Christmastime in an office that I have! May God bless the family now and in the days to come!

“ My sorrows go to Ralph and family for the recent passing of Virginia (Ginny). She was such a vibrant person in my life in the 60's at Reiffsburg Methodist Church with her teaching and living a life to be emulated by all who knew her. I remember well the services in the church and the times spent on the youth in the church. The church socials and the church parties for both adults and children (sometimes the youth parties and the player-organ in the home and the taffy pulling and quizzes were exceptional). She will be remembered by me forever and I know where she is visiting my folks after all these years. God bless you one and all.

“ I remember Virginia as a sweet, friendly, loving neighbor when she and Ralph lived across from us on 900 S. Always ready to lend a helping hand, whether at church, school or any place she was needed
Then later when ever I saw her, she ask of my family. So very caring.
She will be missed, but God certainly called and angel home.
My thoughts are with all the Schaadt kids, but you are left with wonderful happy memories. My prayers are with you all

“ Ginny was such a sweet kind compassionate woman and holds a special place in my heart.
I was just a little girl at church and at bible school when I realized she was the kind of person we should all strive to be. I have many memories of her but one of the special ways she touched my life was when she had our Sunday school class memorize the Lord's Prayer when I was about 7 years old. It has been a great blessing to me over the years.
My condolences to Ralph, the “kids”, the Cochran's and their families. I know you will lean on God to comfort you in this difficult time and can find peace in the knowledge Ginny is in her heavenly home.
Love you

“ While my heart breaks that we have lost this dear, sweet woman on this side of heaven, Ginny is the real winner - as she is living in heaven now. There is no one who deserves this more. One of the very best people I have ever known, all of my memories of Ginny are wonderful ones. My prayers are with the family through these most difficult of days. So sorry we can't be there to give our condolences in person, but are with you in thought.

“ Our memory of Ginny goes back to our carpool days when Sean and Rich were in kindergarten together. They have been friends for most of their adult life as Rich was Sean's best man when he got married. I remember a very sweet lady with a heart of gold. The world has lost a treasure. Our deepest sympathy to Ralph and the rest of the family as this difficult time. May your memories keep her in your hearts forever.

“ Ginny was one of the most compassionate and giving ladies I have ever met. I had the pleasure of working with her for many years, and we had many great memories. I have been exposed to the virus, so I won't be at the funeral home, but please know I am there in prayer. David I so enjoyed working with you also. What a great family you have. Love you all.
