“ *Diane was such a very sweet lady. I met her at the Snug I was a waitress there and she would have lunch often with her daughter Diana. She loved having lunch with Diana she would smile and say Diana is coming. She always made me laugh and we shared the same Birthday. She had spunk and I LOVED that about her. I would always look forward to her and Diana coming in . She would talk to everyone in there did not know a stranger, She had a loving heart and a glowing personality. My heart and Prayers goes out to her family.*
