“ Ault family, As a member of the Wells Co. Constitutional Patriots, I worked with Adam when he first ran for school board. He was obviously well-informed and concerned about the state of our future. He had so many good ideas and I'm glad he got to share some of them. Wishing you all God's peace and comfort in the days ahead.

“ Jody and Steve: Please know that we would be there in a heart beat if we could.

I firmly believe that God had a plan for Adam that we were not aware of nor do we understand. The only thing I can figure out is if Adam was anything like you two, God needed another angel in Heaven. I always say that the day we are born, God gave us so many breaths to take and we will never know when our last one will be. I just wish God had given Adam many, many more. Please put your left hand on your right shoulder and your right hand on your left shoulder. Now squeeze. This is a hug from us and they are unlimited. You and the rest of the family are in our thoughts and prayers. Take care my friends.
