“ Uncle Pat, Auntie Di, Cousin Lisa and Austin and Jackson, I'm remembering Adam as I last saw him - 10 years old and eager to stay up all night long with his grown up cousin Caleb roasting the pig for our wedding feast. I think he really had a good time with that and though pictures have shown me that he has grown up, it's that 10 year old Adam (the same age as my own kids, now) that is tattooed in my memory. My thoughts are with you all. I am so sorry. Your niece and cousin, Tiffan##imported-begin##Tiffan, Matthew and twins##imported-end##

“ Lisa, I am so sorry to hear about the loss of your son, Adam. As soon as I saw the picture...my heart felt heavy. I remember him only as a little boy. Sadly, it has been that long since we have seen each other. My prayers are with you for comfort and with your entire family. Remember when we found out our grandpas were brothers and that we were related? We became friends and family that day...it's been many years but I can still see you and your little boy getting out of the car across the street when we lived on Reed Rd. May God give you peace and comfort, may his memory be eternal.##imported-begin##Stella (Chilcote) Skembos##imported-end##
