“ Dear Geoff and Carolyn: It is always tough to lose a parent regardless of the circumstances (old age, sickness, etc.), as we speak from experience. You have our sympathy and will continue to be in our thoughts and prayers as you progress through the grieving process. The same is true for you siblings (Jacquie, Tim, Brian and other family members). May the Lord give you His comfort and peace!

Love, Tim and Carolyn

“ I am so sorry for your loss....I loved this lady. I came to know her
when I was 16 and worked at the Health Department after school
and during the summer until I was 18. She taught me so much, what
a wonderful woman she was. Barbara (Leimgruber) Gerber
