“ Deepest condolence from the Bluffton KOA. During Aiden's stay with us, he showed himself to be respectful, responsible, and kind. He was a great kid and enjoyed having him around. Wishing his mother, siblings, friends and family strength through this tragedy.

“ Clarissa and Family. So sorry to hear about your son. I have an idea what you're feeling. If you remember we had a 19-year-old daughter die in an auto accident. We have many fond memories as I'm sure you do too. It helps but obviously it's still very hard. Hang in there.

“ Clarissa & Michael, I remember when clarissa got pregnant with him... I had already had Tiana... you both were scared but you did great raising him being as young as you were. I remember our kids playing in the backyard of my parents old house and they were friends from Day 1... stayed friends and even tho we don't keep in touch due to our lives being busy I want you to know we love you and are here for you! Tiana is devastated and has been asking about the arrangements and I'm sure she will be there as will I. Don't hesitate to reach out if you just need a friend! I'll be praying for you both!
