“ *Lois and family,*

It is always hard to say goodbye to a love one. Her passing will leave an emptiness in your heart. Fill that emptiness with all the treasured memories you have and rejoice that she is at home now with our Lord and Savior. All her pain and suffering is replaced with praise and worship at the feet of Jesus. May you all find comfort in knowing that the separation from her you feel is only a temporary one. Eternity together is a promise given to all who believe. God bless you all and give you the comfort and peace you need at this time of loss.

Blessings to you all, Sandy Davis (Genesis gal)
