“ *Jim and Alice were our neighbors for nine years and I remember them coming to my oldest son's graduation party and bringing us vegetables from their garden. My second son did mowing for them and we visited often. After they moved, I would see Alice grocery shopping and she always wanted an update on our family. She was a wonderful neighbor and she will be missed.*

“ *What a beautiful person Alice was not only on the outside but inward as well. My Mother, Susie Alford knew her when Alice was growing up and I believe James was a relative of my Mothers. She always loved both Alice and James, and after I met them, I truly understood why. I met them while showing their home near Markle, so that was a few years ago. The family is in my thoughts and Prayers. Alice and James certainly earned stars for their kindness and caring.*
