“ *First met Andrea, several years ago, when she and her family always participated in American Cancer Society's Relay For Life. Andrea kept her group walking the entire night! And then when I volunteered at BRMC, I always knew, if there a question I couldn't answer at the Information Desk, Andrea was the "go to gal!" She loved life and she loved her family. BRMC will be lost without her knowledge, caring and friendly voice !! My prayers are with the Grover family.*

“ Marty, Greg, Bret, Adam and families. So Sorry. I'm still in denial. From FB posts and messenger exchanges, I never thought she wouldn't come back home. I knew she was ready but she was also so positive. Although I've been gone for years, I still have many memories of our times together. I know you guys have many more. I pray that those good memories will bring smiles to your faces and happiness to your hearts when you think of them. RIP.

“ *Keeping you all in our thoughts and prayers! We will miss her dearly. She and Marty have always been close friends and neighbors whom we could always count on. Neighbors who have treated us like family since the day we moved in across the street. I will always cherish the memories I have of her. I will miss her faint holler at me from across the street when I arrive home just to catch me up on what's going on in the neighborhood. RIP my dear friend until we meet again.*
