“ *I am so sorry to hear about Andrew. I never read the obituaries but was looking for another name and happened to see his. I remember him so well and helped him purchase his first home! A place for him and his dog! He was so happy. I also remember meeting his dad. My condolences are with you. I can't imagine losing any of my children and my heart goes out to all of his family. May the peace of God comfort you at this difficult time. Jane Yoder*
