“ *We found out about this after your dad's death and were out of town on the day of the viewing or we would have come. We met your dad at CC and always said hello. We know it's hard to lose a dad. Just allow yourself time to grieve. Take care,*

“ *Ron, Jerry and families--I just saw your Dad's obituary on-line and was unaware of his passing until now. I know it is hard to loose someone, especially around the holidays. (I buried my husband a month ago today.) I am praying for your families and hope you find peace and healing in the love and memories of him. He left a real legacy for your family.
