“ I am so glad my family got to spend a Christmas with Auntie Anne along with Papa Vic and Grandma Marge a few years back. It was great to finally get to know her and for my kids to meet her after I had only know her from afar. She was as kind as everyone always said and I am thankful for that time with her. We pass on our sorrow for the family's loss but we are grateful to have known and been loved by such a wonderful woman.##imported-begin##Ken Downer##imported-end##

“ On May 6, I volunteered at Christian Care. When I entered Anna's room to fill her water pitcher, I asked her if she wanted a drink, and oh, yes she did. So I raised her to a sitting position, and realized she wasn't able to see much. We talked a little, and she mentioned that her nephew, I believe it was, had played some music for her on his phone, and how she so appreciated that, and his visit. She missed her roommate, who had left for some reason, perhaps to go home, and she thanked me for the visit. I just wanted to share that with you. I am glad I got to meet her.
