“ *Remember Betty for Sigma Phi Gamma days back in the late 60's and 70's. She was always so much fun. Seemed to have a dry sense of humor!! Have thought of her often throughout the years (along with her sister-in-law Joyce) and the fun we had even though I had not seen her for a few years. May God comfort you with memories to bring you peace. She was a special, special lady!!
