“ *Tammy, Glenda, Terry and Mick...I didn't know your Mom well but I remember when she and your Dad came to California for a visit...and I know she called my Dad often in his last days. I appreciated her and enjoyed the day we spent with her the last time I was in Indiana. I know you will miss her but wouldn't wish her back knowing the eternal life that she has now.*

“ Ed & I are so sorry for your loss. We have many happy memories of time spent with Betty and George. Unfortunately, we will not be able to come to Bluffton to pay our respects in person. While Ed is doing very well after having knee replacement surgery this past Wednesday, he just is up to making the trip to Bluffton. Please know that the entire Green family is in our thoughts and prayers.

“ The Greens were like Grandparents to my brother and I. As a
matter of fact we called Betty Grandma Betty. They were always
there for our graduations, marriage receptions, you name it. To say
Betty Green was a very nice lady doesn't begin to cover it. Her and
George cared deeply for all the kids in our neighborhood and for
people in general. Thank you for all you did for our family.

My memory of Betty is precious to me! I worked at River Terrace for 2 yrs. as a server in I.L. We had many conversations about family and just life in general. She always asked about my grandma, Rose Spence. They worked together at Corning and were neighbors. She also was an inspiration on Sunday mornings in the chapel with Pastor Jerry and myself! My sympathy goes to the family! She is singing with the angels and in no more pain! Praise His Name!

“ *Green family,*

I got to know your mother when I cleaned their condo. She was always cheerful, easygoing and a pleasure to work for.
