“ *Ahhhh, my Aunt Betty! She was my favorite aunt. I thought she was the coolest and the epitome of style. She had awesome costume jewelry, and as a kid, I couldn't resist playing with it. I didn't even put it on, I just laid it out and admired it. She was kind, funny, generous, and beautiful.*

“ Doug:

*Let us express our condolences to you and your family in the passing of your mother. You don't know us, but we are Harold and Jeneane Lloyd of Warren, IN. We looked forward to running into your mom at Kroger's in Bluffton where we would stop and visit a few moments. I never knew a time when Betty wasn't enjoying herself and always laughing with us about something.*

*She was with the 1950 Jackson High School graduating class while in grades 1-4 at Jackson. Always attended our reunions at Southern Wells in April and was always considered a part of our class.*

*We will all miss her a great deal and it won't seem right not having the possibility of running into her at Kroger's.*

*Best wishes to you and your family,*

“ Doug,

*My condolences. I remember you teaching me to bat left handed. I also remember the look on our parents' faces when I broke our porch door window two weekends in a row during the process. Thank God for paper routes and patient parents.*

“ Doug, I don't know if you remember the McFarren's from around the corner on Wabash Street but your family was very special to us. I used to "sit" for you on occasion, and your Dad worked with Nolan at the dairy. Your Mom and I shared many a laugh and good conversation and she even went with me to choose my wedding dress. I have thought of her often through the years and want to send our sympathy and prayers.
