“ Uncle Jim and Cousins:

My sympathy to you over the loss of Betty. I remember Betty as a hard worker: preparing food at Chef's Inn, ironing clothes for my mom who was busy working full time, taking care of of Grandma Edna Farling in her later years. Above all, I associate Betty with laughter. I can see her and her sisters Dorothy and Lois getting tickled over something and having some good laughs.

I know the final years of Betty's life were difficult as alzheimer's robbed her of her connections and mental sharpness. I endured the same situation with my mom, Dorothy. (Dorothy's death was 10 years ago in April 1999, age 84) I think the Lord gives us these tough situations to humble us and possibly strengthen us in the long run.

May you know peace and family love during this loss.

Sincerely, Terri (Shady) Worden###imported-begin##Terri Worden###imported-end##
