“ *I adored Bonnie. She was an incredibly lovely woman in every way. She knew how to make everything better. She knew how to make everything make sense. She gave and gave of her self. I wish that I had more time to spend with her. I cherished every moment that I had with her. I am sorry for the loss of her to everyone who loved her. I wish that she could have lived out her life with Tim still at her side. The world was a better place with Bonnie in it. May she rest in peace.*
