“ Howard rented farm ground from Norm and Bonnie many years ago. They were very honest, caring and helpful to us as we were just getting started. Wonderful people and always willing to help anyone, and always together. Prayers for Norm as he walks this life without his loving mate.

“ Bonnie was my neighbor when I moved 4 yrs ago. She made the best sugar creme pie and always had a smile and sparkle in her eyes! She was so sweet and a precious servant of Jesus! I loved watching her and Norm tooling around in the golf cart. As a special treat they invited me to go for ice cream in Wilshire. I will always remember her giving and caring nature and the way she loved and adored Norm! They were a perfect example of what loves all about!! Prayers for the family.

“ It is with heavy heart that we learned of Bonnie's passing into heaven. Bonnie was such a grateful person. I don't think that I never talked to her that she wasn't always smiling. She was a hard worker, willing to try anything or to help someone in need. Our prayers will be with Norm as he has lost his lifelong partner and best friend. No matter where they went or what they did, they were always together. Norm will be in our prayers Dan and Darlene Gerdom
