“ My deepest condolences to all the family. I was a nurse in Assisted Living that cared for Bonnie from 2017 to 2019. She was a sweet, very quiet lady. I loved her very much. Her and Wanda Steffen were two of my favorites. RIP Bonnie.

“ Gary, Terri, Nick and Kay
Our thoughts and prayers will be with you in the days and weeks ahead as you grieve the loss of your Mother and Grandmother. Though we know you will be reunited one day and she is healed. Bonnie was a beautiful woman inside and out. Always enjoyed seeing her at Lancaster Chapel when she would come for a special event to support her family. May God Bless you with beautiful memories to bring you peace, comfort and a smile now and then!
Love,
Wayne and Glennis Henly

“ Bonnie was a positive influencing presence in my life from my first day of life. In my baby book, my mom Naomi Yake Siela Shilling wrote that my first visitor in the hospital was Bonnie Worden. Bonnie would have been pregnant at the time with Mike, who was born 12 days after my birth. Mike and I, obviously, have known each other since birth and graduated from Norwell together. Gary and my sister Dee are the same age, while Kathy was the same age as our brother Denny. My mom graduated from Lancaster High School in 1949 with both Bonnie Huss and Bob Worden. I think that she was one of the last surviving members of that 1949 class. My mother left several photos from high school with Bonnie featured (see attached). We attended the same church in Craigville for many years. We maintained contact throughout our entire lives. I always loved her interest in me and my life. She also was a big presence in my husband, Scott Biberstine's life, as well. The Wordens lived about a mile down the road from the Biberstine house. He spent a lot of time at their house. She will be missed by many many people.
