“ *Dear Jill and family, I was saddened to hear of Doug's passing. I didn't know until I read about your dad. Doug and I worked together at Ludwig's Grocery store a million years ago. He was a delight to work with. Mischievous, always smiling and laughing! I ran into him a few times in Craigville when he was on his way through to go to Vera Cruz. We would have a lively chat and he'd be on his way. God bless you and your family in the loss of your Doug!*

“ To the family of Doug Conley, I wish to offer my sincere condolences. Doug was much more than a salesman in the food and beverage industry. He was the face of Standard Coffee in Fort Wayne and throughout northern Indiana. To his customers, he was reliable, dependable, and always there to listen and resolve their every need. He was their "Coffee Guy". To me, he was my coworker, colleague, and most of all, my friend. He was even tempered, honest, and I could always count on him for any need that I had. My wife who never met him, but only heard his voice when we spoke, could even tell that he was a kind and gentle man with a good soul, and had a beautiful voice that could have narrated nature films. My heart goes out to Jill and all of Doug's family, and I pray that they find comfort in God's grace during this time.

“ Doug - what can I say? You were suppose to be there to give me a hard time for turning 40! I know we only knew each other a short time, but just in that short time, you made a big impact on me. I adore working with individuals who are so eager to live life to their fullest and have such a jovial personality! You make my days worth it! Jill, I absolutely loved working with you - your love for doug was definitely seen in all you did to encourage and support him daily! May he find peace and comfort in the arms of the Lord!
