“ *Debbie & Family*

My heart felt sympathy goes out to you. I know the shock and the loss you are all feeling right now and I wish there where some magic solution to take all the pain away. The only solution we have is to know that Brian is in a peaceful place and with faith and prayer the healing will begin. I want you to know you and your family are wonderful people, you are ALWAYS there to help or offer comfort, so know that if you need anything at all I am only a call away.

All my love and Blessings

“ I graduated with Brian, so it saddens me greatly to see that Brian passed away. My heartfelt sympathies to his mom, and his children. We were not close, but shared a part of our lives in high school that will always tie the class of 81 together.##imported-begin##Karen (Harty) Garay##imported-end##

“ Bev, Chris, & Debbie-
I was so shocked to hear that Brian had passed away. I was just picking on him at the street fair. With the loss of Gene, Evelyn, Duane, and now Brian, my heart is just breaking for the three of you. I don't know how I will be, entering back into that funeral home. I have not been there since I lost mom. So, we can all just weep together. I will be there for the viewing and funeral. You guys were a part of my family, growing up. I really hate it that we keep meeting at that place. I love all of you and I will see you soon.
