“ When Brooks lived in Liberty Center and was our neighbor, all the local teenage boys would go to his home and play bumper pool in his back room. He gave us an open invitation to come play whenever we wanted. Even when he was not at home! He became a great friend to us all as he often played along with us. To the family of Brooks you have my most sincere condolences and I am sure he will be missed. Gary Stroud

“ I first worked with Brooks when he was Detective with the Indiana State Police. When he retired and came to the Wells County Sheriff's Department he fit right in, no training necessary. I had the honor of being his Chief Deputy, for my last 6 years. He was truly one of the Good Guys of Law Enforcement. Kathy and I send our condolences to Beverly and Family. “ Brooks was a good policeman who taught me a lot about policing. Enjoyed the many hours we shared repairing cars and just visiting with each other and Bev. Praying for God to give the family peace and comfort through Jesus!

“ I had the privilege of working with Brooks when he was a ISP trooper. We also had a good time helping each other on projects outside of law enforcement duties. When Brooks was the Sheriff I worked as a confinement officer for several years under his command. My wife, Darlene also worked at the jail as one of the jail nurses during Brooks 8 years as Sheriff. Wells Co became a better county when Brooks was the Sheriff. Brooks will be greatly missed by his family, friends and fellow law enforcement friends. The Mounsey family will be in our prayers.
