“ I just learned of Cammy’s passing. I’m shocked and heartbroken. She and I met at West Wayne in 2007. I loved her brash, raw personality. She didn’t give f@&k! But she gave a f@&k about her family, friends and her pups. I am so sorry for her loved ones. She will be missed. Love, Kori

“ *Cammy was my neighbor in Tampa. She was an upbeat, strong and driven individual I had the privilege to know! It’s hard to look across the street and not see her anymore. Heaven just gained a wonderful angel and my prayers and sympathy to her family! She was a wonderful person and will be missed.*

“ *So hard to hear this news. I was privileged enough to take care of Cammy's dogs, Rocco and Coco, when Cammy was away. We both shared are experience of going through and surviving breast cancer. She was always doing fun things and going to concerts on the west coast. Then going to New York with her mom and going to plays. She is now in heaven and looking down on us all. We will miss you, sweet Cammy!*
