“ I can not remember a time when I did not know Carol. I have fond memories of her babysitting me (not often). She taught me how to make kool-aid and never lost patience, which as a young child I could push the limits. I would see her weekly at church (my extended family). I grew to love her sarcasm and her quick wit. She never thought twice about going out of her way to do a house call when Jarrett tore is stitches, and always the friendly reminder to clean your belly button before surgery!

Ron, Heidi, Anthony, Jeremy I'm so sorry for your loss. Carol was such a wonderful lady with a beautiful heart! I'm so blessed because I was able to know her and be a friend! God bless you all! I pray that you find comfort in knowing she is loving Jesus!
