“ *I will never forget Mamall's birthday before last... I took her into the church breezeway & I was able to tell her how much I appreciate her & who she is. I let her know that I felt her prayers with me even in my darkest hour, & that her example & prayers not only helped save my life, but was also a huge part of saving my soul! She began to cry & said, "I love you Cindy!" I will never forget how much she means to me!*
