“ *I didn't know Chad personally, but he was very kind to my daughter. I always heard stories of how he loved to laugh and smile. I pray Chad's family can find peace, and comfort, and one day healing through Jesus. This saddens me as I've been crying that this took place. I feel so bad for Chad's family. May Jesus be your strength in your time of weakness. God Bless you one and all.*

“ *I am so saddened by this. Gone way too soon. I didn't know Chad personally, but he was always so kind to my daughter and apologized to my son after a disagreement (which was very manly of him to do). I always heard stories of how funny he was and how he loved to laugh and smile. I pray for Chad's family, for you to find peace and comfort, and in time, healing in Jesus. God Bless your entire family as you deal with the loss of your loved one.*

“ I didn't really know Chad all too well. We've seen each other a few times and said hi to each other. A lot of people have been talking about his passing around school. I give my sincerest condolences to the family and friends of Chad. From what I've heard, he sounds like he was a very good person. I'm so sorry for your losses.

“ I will always remember how you were always there for me when I needed it . Or how you would always give me hugs just because I looked like I needed one . If I felt down you would always make me laugh and feel good about myself . You always made me think positive no matter what . You taught me a lot of things but the most important one was to never give up and always remember I'm beautiful no matter what people say . You were an amazing friend and I wish you could've messaged me about your problems and tell me what's going on . I hate that this was the only option that you saw . I love you Sooo much Chaddy ❤️ R.I.P. Fly High ❤️
