“ *All of us at River Terrace will miss Charles very much. We are sorry for your loss and for ours. Charles had a great sense of humor and so much knowledge! One of his favorite things to do at River Terrace was coming to trivia. He always knew way more about topics than the presenter. He loved his family very much and talked about the fun that he had after returning from car shows. He was a real gentleman with a very kind heart. We send our condolences to his family and friends.*
