“ Sadden to learn of Scotty's passing. He served our country well. I always enjoyed talking with him and learning about all his fishing episodes at Stahl's pond. For years he would ride his bike every day out there to fish. Scotty will be truly missed by all who knew him. The Cottrell family will be in our prayers during this difficult time.

“ Saddened to learn of Scotty's passing. He was such a character and a neat guy to talk too. He really loved to fish as I would see him ride his bike to Stahl's lake almost everyday years ago. May you rest in peace and we will keep Scotty's family in our prayers.
