“ *I want to send my love and sympathy in the loss of Clisty. I have many good memories of her through the years. She was always friendly and fun to talk to. This Beer clan just keeps getting smaller! They were a good group and I'm sure Clisty passed that heritage on to her family. Would have loved to come in person, but I'm just staying home as much as possible at this time. Know you are in my thoughts and prayers.*
