“ *Connie and Larry were friends and neighbors for many years. I was sorry to hear of her illness and passing. She was on my prayer list for a long time. I was sorry that I could not attend her service. Even though I was sorry to hear of her passing, I was very happy for her that she is united with the love of her life, Larry. Hugs and prayers to Bryon, Brent and families.*

“ To Bryon, Brent and Connie's entire family, our most sincere sympathy. Connie was a dear friend for over 55 years. Connie, Larry and myself had many great times together, and I will miss her as I have missed Larry for all these years. The band, the places we played, the friends we all made, so many great memories over the years. A friend of mine recently said, "Whether the good Lord calls me home, or let's me stay, I am a winner either way." Connie is a winner today, and she is with Larry and those loved ones who have gone before her. No more night, no more pain, no more tears never crying again. Rest in Peace with Larry dear friend, and we will see you on the other side! In His Love and Ours, Neil and Debra Grove.

Connie was in my graduation class of 1960 at Bluffton. Then I worked w/ her at Panhandle Eastern Pipe Line Gas Co. for around 15 years. You couldn't help but like Connie., She was always upbeat and quick with a smile. .she was dedicated to her family.
