“ Danny always was such a happy person with a big personality. I remember the wedding and the twins and visiting with them. Last time I saw Danny he was running late for football practice but still made sure he said hello and hugged me as he hurried along. All my love and prayers go out to the family - especially Lisa and the kids. Lisa you are always so strong and I pray God grants you extra strength right now and in the days to come. All my love and prayers.
