“ Carol, You are in my thoughts and prayers! I will never forget the visits I had with you and Darol at the hospital and at your home. He was such a nice man. It was easy to see, in spite of his pain, how much he loved his grandkids. He will live in their hearts forever. May he find peace, comfort, and love in the arms of Jesus. May you also find peace and comfort! Get the rest you need and take some time for yourself. You were so giving and so devoted to Darol he would want this for you. If there is anything I can do, don't hesitate to call. I love you!

“ *My sincere condolences to all of Darol's family. I got to know him best when I lived again in Nottingham Twp. and we had some good times together. He was a very generous person and my example of this is his taking me with him on a cruise he won through Wayne Feeds. We saw several islands in the Caribbean and also a bit of Venezuela and had a great time together.*

“ Uncle Darol used to let me drive the tractor at a very early age. He would also take me to the lake for water skiing. He and Grandma and Grandpa Myers took me on vacation with them to Georgia to visit Byron and Betty. He and I flew over Gettysburg in a helicopter. I was seated securely between him and the pilot. He took me on other trips and at least another vacation. He loved being with the family at the Big Christmas. I'll see him again in Heaven. Carol... Rhonda and I are sorry for your loss.

He will always be remembered as one of my favorite people. Took me on my first plane ride to Boston. I loved going to the Pennville Feed and Grain to spend time with him. Definitely learned a lot from him. He will be missed at the family gatherings.
