“ Well. There is a time and place for all of Kinsey family today. I am home sick with a fever. I could not make funeral today. As I stated, in a facebook post..maybe Wes needed his brother sooner; than we, and or you could of anticipated. Bruce was the life of the party, if I had a beer today. It would be in memory of you. In my younger days, you held the door, when I, or any woman was behind you. I remember, the quiet and patient person..who give you his last dollar, if it meant a friend needed it....this is what I shall remember, today, and always. God, bless you, and your family today.
