“ I’m so sorry Marquita and family to hear of Dave’s passing. I so much appreciated the years of working with him at Franklin Electric and the time we spent traveling and working on various projects. I recall an occasion where he and I were having dinner with a couple of coworkers. It was the first time he’d met them. In the initial introduction conversation he seized the opportunity to testify that he was a born again believer and follower of Jesus Christ and that he loved Him and family. It illustrates the depth of his love for the Lord and his family and encouraging example for all of us. Keith Murray

“ I was very fortunate to have Dave as an older cousin to look up to. He was always an amazing role model and I am not aware of any kind of trouble he got into or conflicts he had with his parents or at school. He was always respectful and conducted his life with great wisdom.

With that foundation, he found a wife who had the same goals of following God and over time, raised a great family together in a way that honored God. He and Marquita were always so supportive of Cindy and me as well as our children and we both appreciated them so much. They, together, were a great blessing to us.

I am very happy for Dave. His pain is gone and now is in a wonderful place that we cannot even imagine. I am saddened for his grandchildren who will not have this sweet man with them to be loved and doted on.

I pray Marquita, Ben, Sarah, Randy and their spouses will be comforted by the Lord and allow each other to grieve in their own unique ways as they adjust to the new normal. May we all do our part to support them during this time.

“ I've been mourning the death of a life long friend. Dave Merchant and I became friends when we were about 12 yo. We met riding our bikes around Zanesville, IN., me on my old 50s Schwinn and Dave on his new 3 speed Huffy with a stick shift. We build ramps to jump over and would see how far we could ride a "wheelie". At some point Dave thought it would be fun to see how fast we could his dad's Wheel Horse garden tractor to go. We could get some pretty good speed out of it but we always had to put it back together so his dad, Ron could mow the lawn. We later graduated to slot cars. Doing special windings on the small electric motors, again to get as much speed as we could out our little cars. We remained friends through HS and started playing with real cars, Dave with his 71 Maverick Grabber and me with my 70 Nova. Dave and I were groomsmen in each others weddings over 46 years ago and we've stayed in touch all these years. Dave was a devout Christian brother and friend and was always a positive influence in my life even though he could exhaust you with absolutely terrible puns and jokes. Dave has been dealing with cancer for the last couple of years but he always had a positive word. We last share well wishes on January 2. Dave Merchant, I will miss you, my brother.

I am praying for strength Marquita and the entire family for the coming days.

“ *Marquita and Family,*

We are so sorry that Dave was called home at this time. We are so thankful all of you have the assurance of Dave's presence with the Lord. What a wonderful Christian husband, father and grandfather. Truly the fruits of the Spirit were manifest in his life to all that met him. He was gracious, kind, and compassionate. He was a very dedicated employee of Franklin Electric who was the beneficiary of his many skill sets.

We love all of you and are praying that you all can feel God's Perfect Peace and Presence at this time of great loss.

“ Dave was so quick-witted; with his droll sense of humor, he could make any comment or observation into a punny joke. He always made me smile! I will miss his calm and smiling presence. My heartfelt sympathy goes out to Marquita and their entire family.
