“ *TO the Park family,
I can not claim to have been a close friend of Dave. But I was a contemporary, peer, and friend.
Most importantly I thought highly of Dave Park as a person and community leader. He was a uniquely talented guy and one who make things special.
Sorry for your and the communities loss.

“ During my 11 years of owning a fabrication shop in Bluffton Dave provided unparalleled advice in my office, but mostly from our seats at the Snug. Dave was one of the good ones. RIP Friend.b

“ So saddened to learn of Dave’s passing. We had many good talks about the Scouting community. When his engine displays were at the tractor shows we had a lot of discussions on the operations and correcting problems on the engines. Dave was really involved in activities with the community he cared about. Dave will be truly missed. The Park family will be in our prayers. Dan and Darlene Gerdom
