“ Dear Family, I was saddened to see Dave's passing in our paper this morning. We never met but we did a lot of genealogy on line and via mail. I will miss our on-line conversations. I called him "cuzin" since my mother was a Huffman from Huntington.##imported-begin##Marian Klinger##imported-end##

“ I was so sorry to read of David's passing. I saw him at our class reunion in 2008 for the first time in 50 years and it was a wonderful time. One by one, our Lord is calling us Home. May you take comfort in the knowledge that our gracious Father in Heaven cares and will help in your sorrow in the days and weeks to come. “ To Carol, Dawn, Michelle, Judy, Joyce and other family, we want to express our love to your family and sympathies in the loss of Dave. Dave was a great genealogy buddy for several years now and we all benefited from his experience and hard work. Besides this he kept us smiling with an occasional bit of humor or other entertaining email. I am very sorry to lose such a friend (and cousin) and my email will be much less interesting with his passing :-). Our thoughts are with you as his life is remembered this week.
