“ *Remembering the great light that you brought to those fortunate enough to share in your life. You lived your life treasuring relationships above all else, celebrating the beauty of companionship and family in a way that made me want to be a part of that.*

May your family find strength in one another -- the way that you would want them to, seeking comfort from each other.

Dear Mrs. Moss:

I remember Chip telling me that the passing of a parent is not something you can fully emotionally comprehend, let alone prepare for when I asked his advice on how to prepare for mom's impending loss. He was right, I am still not prepared. Thank you so much for your kind words, thoughts & prayers. Dan & i appreciate them.

“ *On behalf of the Société de Police - IPD Adam & Edward, our condolences to Dan and the other Recker family and friends on his mother's passing.*

It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again.

Eternal rest grant unto her, O Lord, and let perpetual light shine upon her. May the souls of the faithful departed, through the mercy of God, rest in peace. Amen.

“ *Deanne was such a warm and loving person to all that knew her, as well as a wonderful mother to her children Jimmy, Dan and Elizabeth. She was also such a proud Grandmother to Chase, Blake, Finny, Zella and Holden that she talked about with such love whenever we visited.*

As a cousin that I love dearly and will greatly miss let me say that Deanne lived her life with an abundance of love, grace and joy. And she will be dearly missed by all of us that love her.

God bless you Deanne. Greg Garrett.
