“ I remember her from school. She was very quiet and shy. Even though she lived two blocks north of me our paths did not cross much. But what I do remember is that she was kind to all. May God grant you and your family his peace and comfort. Barry McCune

“ Deb and I grew up 1 block apart, both of us across from Washington Park. We made leaf forts in the park, climbed the monkey bars and played with our dolls together. She was so easy to be with and amazed that every year I remembered her birthday. What a beautiful soul.

“ Debbie was my second Mom. Whenever I would see her she would say Hello daughter. She lit up a room just being in it. Her smile and laugh was so infectious. She had a kind heart and beautiful soul. I will miss her terribly. Our loss is Heavens gain!!

“ I went through Jr High and High School with Debbie. She was quiet in crowds but was always kind. At our current age, we don't remember everyone we went to school with. When we do it is because we were touched in some way. Her kindness was unforgettable. I am sorry for your loss.
