“ *Diane's Family,*  
*Here is another long lost cousin. I wasn't able to make it to Diane's calling but you were in my thoughts. I hadn't realized that she shared the same birthday as my Dad, Ralph did. I know you will miss her. To my regret I didn't know her as I have lived away from Bluffton for most of my married life but I know she was one of God's special people. “ *May God bring comfort to the all of Diane's family during this sad time. I used to go with my father, Ralph out to visit Aunt Mary and Uncle Ernie and I liked to play with Diane. She and my father shared the same birthday and she always got excited when we came to visit. Those times with remain with me as fond recollections.##imported-begin##Kathy McFarren Bauman##imported-end##*

“ We send our sympathy to the Harris family. It has been years since we have seen any of the family except Naomi and Audrey. So perhaps you wouldn't remember us. I (Nancy attended Rockcreek Center School when we were all in the grades.

The Lord gives such precious promises to us when we put our trust in Him. God bless you all as you face the days ahead.##imported-begin##Tom and Nancy Haiflich##imported-end##
