“ *I remember Diann as always being happy, smiling and laughing. She would get very excited if she saw someone she really liked. While at the family reunion at Mike and Irene's, Diann was really excited, screaming almost, and pointing at Aunt Dorothy who was walking up the driveway. Diann was so excited to see her grandmother that I thought she was going to jump out of her chair.*

I have a lot of memories of our family reunions, campouts, and get togethers.
