“ While I was not a young school mate of Don’s and never had the privilege of hunting or fishing with him, I was a teammate of his in two sports and was always in awe of his abilities. I’ll never forget our first meeting in a 1966 Youth league baseball game at Wilson Field. Fresh off a 1300-mile trip to my new home, I was summoned to pitch, and an imposing Don was one of the first batters I faced. I could tell this big guy would need an inside pitch to open up the plate. My curve ball never curved and Don did not move an inch, taking the pathetic pitch in the left shoulder. I’ll never forget his expression as he pursed his lips and stared straight through me, apparently thinking, ‘you knucklehead’.

With a combination of power, speed and determination, plus a long stride that fooled many a pursuer, Don was the best running back I ever played with. In over 40 years of covering high school football I witnessed other excellent tailbacks, none I would take over Don.

He was amazing as an athlete and a man.

“ So sorry to learn of Don's passing. Don was a wonderful guy and a true outdoors man. He would volunteer his time helping the Optimists club with the fishing derby even tho he was not a member. Just a friend of Gregg Palmer and myself. He helped with 4H shooting sports probably for more than 25 yrs and getting ready for this season. We both worked for the city years ago. Don on the BFD and I on the BPD. Our wives were classmates. Don I know you are in Heaven catching those big ones so save a few for me buddy. The Kiefer family will be in our prayers.
