“ *Dr. and Becky Meier were firm supporters of the arts for our community. The value they placed on life's aesthetics has endeared them to us who share in the benefits of their philosophy. Through their gifts, many have enjoyed beautiful exhibits and musical events. We are grateful for their vision.##imported-begin##Maureen Butler, Creative Arts Center##imported-end##*

“ *Dr. & Mrs. Meier were such a special couple. We enjoyed seeing them at the restaurant and stopping at their table to chat. They were so interested in others and I will miss them, but they are now together again! My life is blessed for having known them.##imported-begin##BJ & Marion Gray##imported-end##*
