

Dr. Duane A. Nodine

January 16, 1948 - May 24, 2020

****Please, if you have a chance, visit the webpage Duane's family created for him at www.duanenodine.com for more family tributes and videos.

Thank you! Fritzi *****

Dr. Duane (Doc) A. Nodine left this world and started a new journey on Sunday, May 24, 2020, while a patient at Parkview North Medical Center.

Duane was born January 16, 1948, the 4th child and only son to Mabel (Goe) and Silas H. Nodine in Waterloo, IN. Growing up in Waterloo, he appreciated the workmanship of now historic cars and the heritage of the Auburn Cord Duesenberg Company in Auburn, where his father worked at one time. Nodine & Son, a Sinclair Station his father owned east of Waterloo, had a strong presence in Duane's childhood stories, pumping gas and fixing some of the now vintage relics.

Duane graduated with the class of 1966 from Waterloo High School. He was an avid basketball player and one of his fondest memories was playing on the Waterloo Basketball team that beat Garrett in the sectional his junior year. Duane spent his summers at Hamilton Lake, working at Cold Springs Golf Course, beginning his lifelong love for the game of golf. Following high school,

Duane attended Manchester College. He was accepted into IU School of Dentistry, graduating in 1973. He joined Dr. James McPheeters in Bluffton following his graduation from Dental School. By 1977, he had established his own private dental practice, Nodine's Gentle Dental. He also had a satellite Dental office in Markle, IN for many years. Duane met his future wife, Fritzi, at Hamilton Lake, where her parents rented a lake cottage from Duane's family. Fritzi and Duane were married December 20, 1974, at St. John the Baptist Church in Payne, Ohio, in the midst of a blizzard. Until his last day, he loved telling people he was in Payne (pain) when he got married! Happily married for 45 years, Duane and Fritzi have 3 children: Sarah (Will), of St. Louis, MO., Jon (April) of Louisville, KY. and Bailey of Indianapolis, IN. Duane was proud of his 4 grandchildren and was thrilled to be their 'DocDoc,': Jones and Lola Nodine and Louie and Olive Wulff.

Duane was a life member of the American Dental Association as well as the Issac Knapp Dental Society. He was also a member of the Xi Psi Phi Dental fraternity. He enjoyed his membership in the Bluffton Lions Club as well as the Elks. Duane was a member of the First Presbyterian Church in Bluffton where he had served as an Elder. He sold his dental practice in 2015 and continued to work for Hott Family Dental on a part time basis until June of 2019. Doc loved dentistry, and his patients and staff were a great joy to him during his life. He completely believed that a great smile could accomplish anything, and he worked hard to provide this for all his patients. Duane and Fritzi finally moved to their beloved Hamilton Lake full time a year ago, although their lives (as well as their families and friends) are and have always been painted with summers and holidays at their own piece of heaven that they built together—Nodine Pointe. Additional survivors include Duane's three sisters; Merriel Myers of Waterloo, IN., Patricia (Don) Korff of Greenfield, and Sally (Ike) Bonecutter of Celina, TN. Fur-ever with a dog companion by his side, Duane loved and will leave behind his two Aussies, Frank and Nellie.

The Nodine family will remember Doc's love for Hamilton Lake with a sunset cruise around the lake leaving the Nodine Pointe at 8:30 P.M. on Friday.

Please bring your own boats and refreshments for the cruise.

The safety of the family and all visitors are our utmost priority. For everyone's safety, we ask that you practice social distancing while at our facility and the wearing of masks are optional. We will invite a limited number of guests in the facility at a time. We appreciate your cooperation and patience.

Services will be held at Thoma/Rich, Lemler Funeral Home in Bluffton on Saturday, May 30th at 4 P.M. with Rev. Lyle Ewing officiating. Visitation will be held from 10 am to 4 pm on Saturday, prior to the service. Private interment will be held at a later date. Preferred memorials are to Visiting Nurse - Hospice and Palliative Care, Fort Wayne IN.

Doc's arrangements have been entrusted to the care of the Thoma/Rich, Lemler Funeral Home in Bluffton. Friends can share memories and messages of comfort with the Nodine family at www.thomarich.com.

AM

“ Fritzi and family,
I'm so sorry for the loss of Doc. He was such a wonderful man. He taught me so much in my time working for him. I will always admire his love for his family, his dogs, his profession, his staff, people in general, his work ethic. His vibrant personality and passion for life was so inspiring. I truly believe working for him in my younger years helped shape the person I am today. I'm so honored to have had him as a mentor, boss, and friend. I am positive he's drinking dirty martinis and margaritas with Jesus :)

“ Dear Fritzi and family,

Fritzi, as you know, my friendship with Doc and you began in a most unusual way....one weekend many many years ago I was pumping gas for my Mom at the old Clark Station (next to the dentist office)....I heard a very strange noise, it was a ladder bumping across the asphalt and the man at the top of the carport falling to the pavement. I immediately ran to his side to see how bad he was hurt. He had a very bad compound fracture of his thumb and a bad bump on his head. I wrapped his thumb with his handkerchief and somehow managed to get him loaded in his pickup truck as he would come and go in and out of consciousness. On the way, I asked him if he wanted to go to the Clinic or the Wells Community Hospital....he said the Wells Community, my wife works there. As we passed the courthouse, I said “do you work maintenance for Dr. Nodine”, and he says “I am Dr. Nodine”! I thought, oh my gosh I’ve got Dr. Nodine and he has a bad thumb injury, this is not good. I helped him into the emergency room at Wells Community and told the staff it was Dr. Nodine, that he had taken a bad fall, had a bad bump on his head and a bad thumb injury, gave them his truck keys and I left....thus I became the “mystery lady”! A few days later I called the Wells Community Hospital to see if I could find out how he was doing and was immediately asked who I was and what my phone number was....and that Mrs. Nodine wanted to talk to me. Long story short, she called....we talked, I gave her all the details (which Doc couldn’t remember). The next day I had the biggest bouquet of long stemmed red roses sitting on my desk at Franklin Electric....and the card read “thank you to the mystery lady who helped me in my time of need”! And we became fast friends for life. I can not express my sadness enough, Duane was a great person, doctor, friend, husband, father and grandpa....he will be sadly missed by all....I’m keeping you all in my thoughts and prayers....may God hold you all in the palm of his hand.

“ Fritzi and family,

I recall the first time I met Duane. I was still working in uniform as a State Trooper and had a tooth that needed some attention. I was petrified and had not been to a dentist in over 20 years because I had had no good experiences with dentists. So my wife Peggy made an appointment and I went to see Duane while on duty. I sat down in the chair and had to squirm a bit because it was a tight fit not only because of my size, but because of my gun belt. So I am getting situated and Duane said, "You can take that off if you want." I turned to Duane and said, "See this?" Pointing to my gun. "If I hurt you're going to hurt." I said it with a smile and in a way he knew I was joking. He laughed and gave me that great smile of his and said, "Don't worry, you won't need it." Duane ended up telling me I needed a root canal and I don't know what kept me from getting up and running out, because in my time I had never heard anything good about those. But there was something about his "gentleness" that went far beyond his skill with a drill and other tools of his trade. Duane was able to calm me with his smile and soothing words and of course that great smile. I have met many people in my 73 years on this earth, but Duane is one of the very few that I can recall nearly every instance of our meetings and conversations. He was a remarkable man and I was sad when he retired and I knew I would probably never set foot into another dentist's office. I was even sadder yesterday when Krista called me to tell me of his passing. Duane will have Peggy to look after him until we all meet again. Knowing that Duane and Peggy will be there when I arrive will give me a great deal of comfort as my time approaches.

Fritzi, God bless you, Sarah, Jon, Bailey and the rest of the family in this time of great sadness. Take peace in knowing your husband, father, and grandfather was a very special kind of man. I cherish having had the privilege to not only know him but to help protect him and his family, which I know meant more to him than anything else in this world. Rest In Peace Duane, until we meet again.

“ *I suppose like many other people, Dr. Nodine made it possible for me to have decent teeth. When I needed one pulled, he brought the syringe toward my face and it looked about the size of my thumb! I pushed his arm away, and he told me that unless I really desired a lot pain, not to do that again!!*
Then, he explained the beauty of nitrous oxide, and from that point on, visiting him and every other dentist I've ever had to see has been very close to being a pleasure.
RIP good teacher, and thanks for the enlightenment. I've never had an appt. without thinking of you, and I never will.

office and then it wasn't long and he was the main man they called
doc he did everything for his patients they came first I think the girls
and I added it up one time and I think I had saw him for like 46
years he was a good man*

“ So sorry to hear of this. Duane was a good man. I remember seeing him coming to Lancaster Elementary School to surprise Sarah to take her out on a “daddy date” and I was so impressed. What a loss and much too soon. God put His loving arms around each of you as you deal with his passing.
Also, of all the dentists I’ve gone to both here and in Southern California, he’s been the gentlest. He truly lived up to his logo, even when removing wisdom teeth!

CH

Fritzi, I'm Soo sorry to hear of Doc's passing!! will always remember him for giving me confidence and acknowledgment for the back massages I would give in him physical therapy. As a young person with no degree in PT, he nicknamed me "magic"! Humbled and grateful to have met, served and called him friend!! You'll all be in my thoughts and prayers!! 🙏💕

Cindy (Magic Messick) Hunt - May 25, 2020 at 01:34 PM

MH

Dr Nodine was my dentist as a kid and some of my adult life. He was always so kind. I remember staring at his mustache when he worked on my teeth. I know that's silly but that's another thing I remember about him.

My mom also worked with Fritzi at Wells Community Hospital. I have fond memories of them both! Our prayers are with you all. <3

Lu Reiff - May 27, 2020 at 11:18 AM

JH

Duane- you may be gone but your memories you gave the Hamilton golf team in 1972 when we went to state will live on forever. Fritzi- he can now hit shag balls all day with molar watching. We may have lost a husband and a friend- but heaven has gained a remarkable man in every way possible.

My Waterloo Wildcat basketball teammate was the fiercest competitor on the court and the best player on the team. Over the years I only saw him a couple times after graduation, at NCAA Tournament games at IU Assembly Hall. The 1966 Sectional championship game versus Eastside featured Duane against Bob Gerber, what a match-up. Now both have earned their heavenly reward. So long, old friend.
