“ *My precious Eli,
Nothing can take away the pain i am feeling. My precious child has been taken from me and i am left with a huge void in my life. You were my lil miracle Eli and you were my every dream and wish. Without warning, my whole world has been flipped upside down. I only pray for strength as i try to find a way to cope. I rock with empty arms and i pray that God shows me the way.##imported-begin##Crystal Sage (Mommy)##imported-end##*
