Childhood family links are dwindling! Though it's been years since I saw Elise since moving from Indiana, we shared Burkhead gatherings way back! What a beloved grandma we see here. Our hearts hurt with you!

“ I am so incredibly sorry to hear of Elise's passing. What a very special lady she was. I have looked forward to seeing her and Jon in FL for so many years and through her sharing wonderful stories of family I feel like I have known them all. You didn't have to ever ask Elise about her grandchildren, she was always so excited to tell us of their latest adventures. And the handbags...I could never wait to see what Vera Bradley she would be carrying this year...You will be missed more than you could ever imagine Elise. Unable to be there with you all today, Diane, Ginny, and I had our own facetime tribute to you today. You have scarcely left our minds these past days. May God have you wrapped in his arms and may Jon be finding comfort in the arms of loved ones. Remember your friends are here whenever you are ready to connect.
