“ Enjoy your heavenly peace my son. From the first time we met until the last time we spoke our memories will be forever in my heart. You took a piece of each of all those who love you when you left, but our memories also hold a piece of you here. I know you are finally free of your earthly demons and can rest peacefully. Hug your Grandma, Mom, and baby sister and rejoice in your reunion. Also make sure to say hello to my Mom and Dad and keep them company for me. I love you kiddo and will keep you tucked safely in my heart until we meet again...Love Me
